■ INTRODUCTION

Founded with a strong vision to lead the steel trading sector, HR Steel Corporation is one of India's most trusted suppliers of high-performance steel plates and structures. Headquartered in Mumbai, we specialize in delivering superior-grade materials catering to industries like marine, offshore, infrastructure, and energy.

We are committed to:

- Reliability in sourcing premium steel
- Customer-centric solutions
- Eco-conscious practices
- Long-standing industry partnerships

■ MISSION

To deliver top-quality steel products with efficiency and integrity.

■ VISION

To be the go-to partner for innovative and sustainable steel solutions.

25+ YEARS EXPERIENCE...

INDUSTRIES WE CATER TO

SERVING DIVERSE SECTORS

With a versatile product portfolio, HR Steel caters to a broad range of industries, including:

- Shipbuilding & Marine Engineering
- Oil & Gas / Offshore Infrastructure
- Heavy Engineering & Structural Fabrication
- Industrial Construction Projects

Our products meet rigorous standards and are trusted by industry leaders for reliability and durability.
